

Pelvic Radiation Disease Association 2026 Networking Event

Thursday 17th September 2026 10am-5pm
at **thestudio** in Birmingham

Join colleagues from across the UK for a day dedicated to collaboration, innovation, and shared learning focussed on Pelvic Radiation Disease (PRD).

What to Expect

- Guest talks from people living with PRD
- Expert-led presentations from leading clinicians and researchers
- Networking opportunities with professionals across disciplines
- Interactive discussions focused on practical improvements in patient care
- Collaborative sessions to explore solutions and future partnerships

Delegates are invited to attend an evening reception, 6:30pm - 9pm, offering additional time to connect, exchange ideas, and build lasting professional relationships in a relaxed setting.

Scan the QR code to register or visit
